Re: Request to change hearing dates

Dear Mr. Aronowitz:

Per my conversation with you on January 13, 1997, I have spent the last two weeks attempting to secure new counsel following the withdrawal of Gene Bechtel. Mr. Bechtel's withdrawal was the result of the inability of Chameleon Radio Corporation to meet his payment demands.

I have spent much time in the last two weeks attempting to secure the services of new counsel and have decided on an individual I would like to represent Chameleon in this matter; however, given that there is now only a week before the scheduled hearing, the new counsel is reluctant to enter the case for lack of time to prepare for the hearing. Therefore, I am today sending Judge Chachkin a request for an additional 30 day delay in the hearing.

Provided a delay is granted, Chameleon will be represented by counsel within the next week and we will be prepared to go to the hearing on or about March 10, 1997. In the interest of fairness and to give our new counsel time to properly prepare for the hearing, I would ask that you concur with the request for the additional time.

Please contact me regarding this matter if you have questions or comments.

Sincerely,

Don Werlinger, President
Chameleon Radio Corporation, pro se

EMERGENCY MOTION FOR CHANGE IN HEARING DATES

1. As a result of the withdrawal its counsel, Bechtel and Cole, Chameleon Radio Corporation acting pro se, respectfully requests immediate action to change the hearing date in the instant case from the currently schedule dates in order to provide new counsel to prepare for the hearing. The most immediate date is Tuesday, February 4, 1997; accordingly this is an emergency motion. Bureau counsel is being served by telecopier.

2. Since the withdrawal of Gene Bechtel as counsel in this case, Don Werlinger, President of Chameleon Radio Corporation has worked diligently to secure the services of new counsel. During the week of January 27 - 31, 1997, Mr. Werlinger was able to secure an agreement with new counsel; however, owing to the lack of time to prepare for the hearing, the new counsel would not accept the case unless a 30 day postponement of the hearing was secured by Chameleon; hence, this request.

3. The 30-day delay will allow Chameleon's new counsel to enter the case and properly prepare for the hearing and will not unduly impact the Commission's processes

or the public interest. Upon termination of the STA following release of the hearing order and denial of the STA motion in the Court of Appeals, KFCC (AM) no longer transmits from the STA location and currently transmits from the licensed location. Therefore, to the extent this additional 30-day period will extend final resolution of the proceeding, KFCC (AM) is not and will not be transmitting from an unauthorized location.

4. Chameleon Radio Corporation is at least as anxious as any other party to proceed in this matter and apologizes to the Court and counsel for the necessity of seeking this additional delay in the proceedings. However, Chameleon has used its very best efforts in securing new counsel and feels it is in the best interest of all that its new counsel be given time to properly enter the case and prepare for the hearing.

Respectfully submitted,

Don Werlinger, President
